Application form for Schools & Clubs Coaching Scheme (2013)

Please read the criteria set out below before completing the application form

Proposal for Club and School Link

Section 1

Wexford GAA recognises the critical sporting and cultural role that our Primary Schools play in promoting and Coaching the playing of hurling and football. In recognition of the crucial role played by schools and teachers, Wexford GAA are proposing the following for all Schools and Clubs interested in and committed to developing enhanced and quality focussed Hurling Coaching and Games in National/ Primary schools in the county.

Based on the following criteria, Wexford GAA, through support from the Hickey Fund, will provide a grant, payable to the school, up to a maximum of €500.00 for equipment detailed below. This is a hurling only initiative and is an additional support over and above the current County Board funding.

- ➔ That each local school and club form a schools based coaching partnership
- ➔ This partnership must include additional schools based coaching over and above current schools based coaching delivered through Wexford Coaching and Games programmes and staff.
- ➔ The additional coaching must take place before, during or after school (there are models of schools and clubs coaching available and these will be provided for clubs seeking to duplicate or adapt)
- ➔ It must have the full support of the school, the parents and the club and written confirmation of that consent must be provided before any funding will be approved.
- ➔ All successful club's in this Coaching Partnership will be required to provide a detailed report to the County Board, in written format. All clubs participating in the Coaching Partnership will, through their Chairperson and Coaching officer, be required to provide evidence of the coaching including times, venues, frequency and the number and details of volunteer club coaches.
- ➔ The following equipment may be purchased under the Club School Link; Age appropriate hurls, indoor hurls, bibs, bean bags, balls (First Touch, Quick Touch and Smart Touch) cones and floor disks.
- ➔ Once agreement is reached between individual schools and clubs, the application for funding will be submitted by a nominated teacher in the school and the Club Coaching officer.
- ➔ No equipment should be purchased until approval is provided and payment will be made to the School based on the invoice.
- ➔ Hurling 365 and the Club School Link is the responsibility of the Coaching & Games Development Committee
